Luggage

A small trunk or sturdy plastic storage unit (example: Rubbermaid) w/lid is recommended for camp use. It is the neatest and most compact option allowing campers to access all their belongings easier than a suitcase. Suitcases are satisfactory but may get scuffed. If you ship your trunk, please do so 2-weeks prior to camp, insured, prepaid and marked with camper name and destination.

Temperatures at camp vary from the 40s to 90s.
IT IS IMPERATIVE TO HAVE THE FLEECE OR WOOL GARMENTS AND RAIN GEAR RECOMMENDED ON THE LIST.

Waterproof rain gear will keep you dry, & a fleece pullover/wool sweater will keep you warm.

DO NOT BRING

In appreciation of the camping experience and out of respect for the camp community, we ask campers not to bring:

- snacks, sodas, candy, gum
- pocket knives, hunting knives, axes, & hatchets
- lighters, candles
- aerosol cans
- cell phones, radios
- boom boxes, tape recorders, walkmans, gameboys, mp3 players, ipods, or similar items
- cash (please have your camper turn in cash for safekeeping)

If campers bring these items, staff will gather and keep them safe until the end of camp.
